

# An Evening with Math

## Math + Dinner = Fun

### Topic: Supporting Students with Learning Disabilities in Mathematics

Over the past few years, the York Catholic DSB has been involved in supporting students with learning disabilities in mathematics. The workshop will focus on learning about the cognitive processes that directly impact students' abilities to learn mathematics and how personalized and precise accommodations can move students forward. Lessons from our inquiry project will also be shared.

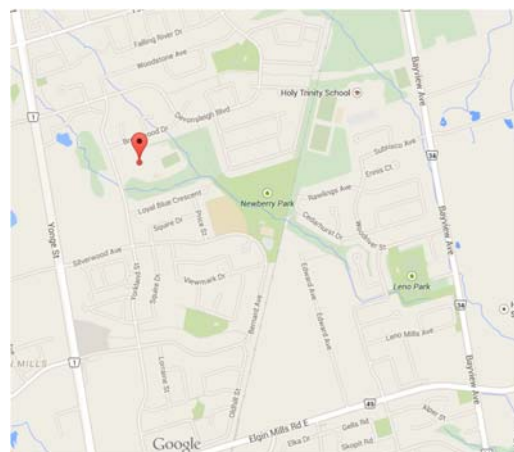

**When:** November 27<sup>th</sup>, 2014

Registration 4:30

Dinner 5:00

Session 6:00-8:00

**Where:** Richmond Hill H.S.  
201 Yorkland St.  
Richmond Hill, Ontario  
(North of Elgin Mills, East of Yonge St.)

Dinner will be served promptly at 5:00. Please let your Y4MA representative know if you prefer a vegetarian meal.

### Meet our Guest Speakers:

**Gina Micomonaco** currently holds the role of Program Resource Teacher with the York Catholic District School Board. She has had many experiences working with teachers in professional learning initiatives including pre-service, additional qualification courses, and provincial level workshops.

**Diana Santos** currently holds the acting Mathematics Consultant position at the York Catholic District School Board. She has been participating in provincial and board level mathematics initiatives for the past several years. She has extensive experience working in secondary school mathematics.

For additional information, please contact your Y4MA representative by email.

**Return your registration form to your Y4MA representative with a \$15 cheque**  
(payable to Y<sup>4</sup>MA) before **November 17, 2014.**
